It is highly recommended volunteers to guide the donors to insert coins/banknotes to the flag-day collection bags. In order not to initiate any misunderstanding, please do not receive any donation money directly from the donors.
- 8) Tips for selling flags on street for flag-day volunteers:

When selling flags	Potential donors for enquiring the purpose of fundraising
<p>When selling flags, volunteers sincerely greet the donor and say, "Morning, could you make a donation to support Playright's Play Services?"</p> <p>After passing the flag-day sticker to the donor or paste the sticker to the designated area instructed by the donor, volunteers then say, "thank you!"</p>	<p>When selling flags and meeting potential donors for enquiring the purpose of fundraising, volunteers simply answer, "the raised funds will be adopted for the play services for the families with special needs children and/or children with chronic illnesses."</p>

- 9) Volunteers are encouraged to display the QR codes of digital payment methods when necessary during the flag-selling.

<p>Two QR Codes to Payment are displayed on the Playright Information Card. Volunteers are encouraged to show the availability for digital donation on street when necessary.</p> <p>Volunteers are required to check and view the successfully transferred page once the donation procedures completed.</p>
